

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 94-764-E - ORDER NO. 96-662
SEPTEMBER 24, 1996

IN RE: Application of South Carolina Electric) ORDER
 & Gas Company for Approval of Industrial) GRANTING
 Power Service Real Time Pricing) REQUEST
 (Experimental).)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the September 13, 1996 request of South Carolina Electric & Gas Company (SCE&G or the Company) for modification of its Rate 27 Industrial Power Service-Real Time Pricing Tariff (Experimental).

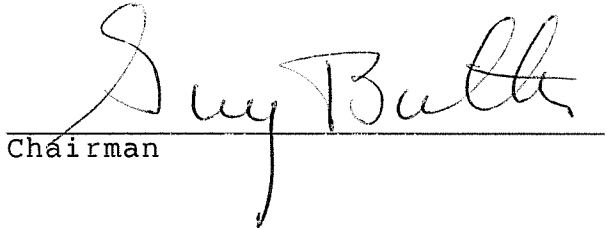

On January 3, 1995, the Commission issued Order No. 95-3 approving the tariff for a two year period on a voluntary and experimental basis for certain customers of the Company. The initial tariff was limited to ten (10) customers selected by the Company who meet certain criteria.

As of September 1, 1996, the tariff has been fully subscribed with ten (10) customers participating. Due to the increased interest in the tariff, SCE&G requests that the Commission approve a change in the number of customers associated with Rate 27. The Company proposed to change the maximum number of participants from ten (10) customers to twenty-five (25) customers.

The Commission has examined this matter, and because of the increase in interest in the tariff, grants the request of the Company as filed.

This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Chairman

ATTEST:

Executive Director
